

HealthPartners Access in South Dakota

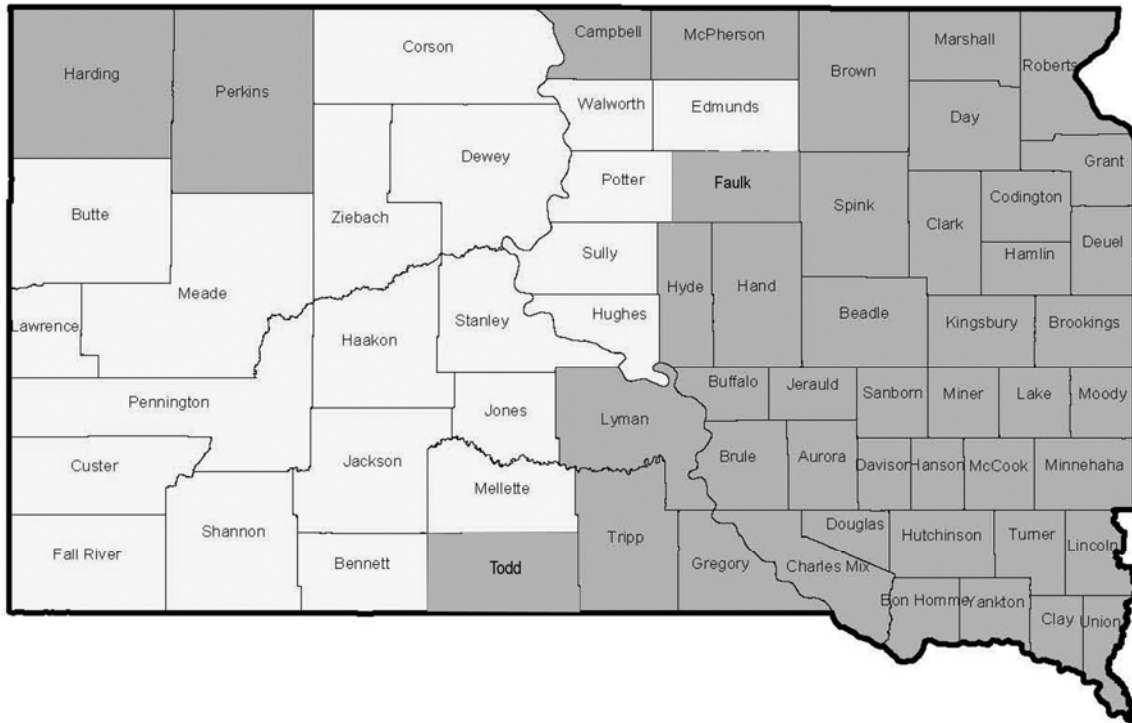

HealthPartners does not access Midlands/CIGNA providers in all counties in South Dakota.

For patients covered by plans administered by HealthPartners, network discounts are based on the service area where members receive care. If a Health Partners member receives care in the Midlands Choice service area, the Midlands Choice contract applies. For care received in the HealthPartners service area, the HealthPartners contract applies.

Refer to the service area map below to determine the service area in which your practice or facility is located.

Submit claims as instructed on patient's medical identification cards.
